Dear [illegible],

I couldn't attend [illegible] because the deadline was [illegible]. I told you I'd [illegible] if you want it. But because you plan litigation I think [illegible]. Send [illegible] for my purposes.

Christ! I [illegible] enough to have access to my own materials! I can't begin to [illegible] this. Have again you sent on Merrick the open letter.

I plan certainly to [illegible] further. If I do not remember to send what - you [illegible] on my behalf of Brown, if I [illegible] anything, you may want to [illegible] when you are ready to [illegible] on Oswald as a possible [illegible].

I'm sure it'll [illegible] to meet you by [illegible], when I will be [illegible]. - most to first [illegible] anything from him. [illegible] premature until we get [illegible] we have copies of [illegible].

No [illegible], please. Put [illegible] on the [illegible], is that do two?

Very [illegible],
